“Un pour tous, tous pour un”

Dear Parents and Guardians,

June 2020

We are trying a new idea for school libraries, and will be signing out books for the summer. This was inspired by Canadian author, Eric Walters. He put out a challenge to teacher-librarians to do this based on the research on Summer Reading. I would like to encourage students to sign books out over the summer if they are interested. To qualify you must have no outstanding books on your library account.

Please sign this letter to let me know you that you give your child permission to take out up to 10 books, at least half in French, over the summer from the Lac des Bois Library. If your child would like books but is not coming to school, you can email me, this letter and your book list from our library catalogue (go to the LDB bibliothèque webpage. We will arrange for a pickup time. Thank you for encouraging your child to read over the summer! Please also check the activities at the Prince George Public Library during summer. Their events can be found here: <http://www.pgpl.ca/events>

Have a great summer!
